## Hand Made Arancini Tray serves 8 **25.00**

Well this is an unknown treasure of a treat, that we have become famous for. Arancini (Supli )are traditional Italian Horsd'ourve made using uniquely flavored risotto style rice. The rice is then formed into bite small croquette with fresh mozzarella in each center. It's breaded and fried in olive oil. Chef Michael makes two very delicious versions. The Romano style is a Bolognese, Pancetta flavored risotto and the Campagna style is a Truffled Porcini Mushroom and fresh peas flavored Risotto.

## Bistro Style Pizza

Our Pizza are made using Italian Caputo Flour. The dough is worked by hand into a rustic crust. The toppings ... well there first of all interesting, some traditional and some our own creation.
