

WELCOME TO OUR MENU

For 4 Generations we've been serving our customers with the same excellence that everyone has come to expect when they shop at Cafasso's. Chef Michael Cafasso coordinates the enormous kitchen operations with the same attention and love as you would find in your kitchen at home. Great pride is taken in preparing all of the food for your party. It's prepared exclusively for you with the same attention, freshness and quality that goes into everything we do. This menu offers a variety of traditional specialties Our staff aims to please, so because of the large amount of customers that day we have created a special menu. This menu offers a variety of traditional specialties as well as many different side dishes that can complement your dinner. On Thanksgiving eve we will only be preparing items that are on this menu. On Thanksgiving day your order must have a Hot Roasted Turkey in order for us to fill the order.
