

Il Bollettino

CAFASSO'S FAIRWAY MARKET

October 14, 2021 - October 20, 2021

Il Bollettino translated means our small version newspaper. We create one every week with information and the specials we offer. You can have it emailed to you every week by visiting our web site at cafassosfairwaymkt.com.

The leaves are just starting to change as we can smell the fall season crispness settling in. It's a great time of the year. The apple harvest is at it's peak with New York state having a somewhat delayed but wonderful start. It's Time for cider and donuts. Our cider comes from red Jacket in Geneva NY and our apple cider and Pumpkin donuts are baked fresh everyday. This year we have apple cider pressed from Honey Crisp apples

Naked Goat 10.99 lb

This fabulous 6-month-aged goat cheese from Spain is produced with Murciana goat's milk. Naked Goat® is mild with a sweet finish, making it an ideal introduction to goat cheese. It is also perfect for melting. For cheese plates, pair with almonds in honey, Mantovane Mostarda, or a crisp white wine.

Tete de Moine 12.99 lb

The literal translation of the French words "Tete de Moine" is "Monk Head", appropriately so since they are the ones who first make this cheese. Made in the Swiss Alps near the town of Bellelay from rich unpasteurized cows' milk, is a sharp cheese with a full, nutty flavor. Its intense flavor is even more pronounced when compared to other cheeses from Switzerland, like Gruyere and Emmental. A true specialty item, Tete de Moine deserves to be regarded as one of the world's great cheeses.
