

Il Bollettino

CAFASSO'S FAIRWAY MARKET

August 4 2022 - August 10, 2022

Il Bollentino translated means our small version newspaper. We create one every week with information and the specials we offer. You can have it emailed to you every week by visiting our web site at cafassosfairwaymkt.com.

August is here and late summer is starting to creep up on us. The Cherries are starting to leave us and some late season favorites like Fresh Figs, Concord Grapes, and Summer Bartlett's have started. The Eggplants, local peppers and squash all now from local jersey farms. And Must I say again Corn. The iconic vegetable of summer is at it's best. But all that said there still plenty of time to enjoy outdoor cooking and dining.

Cheese Counter

Brie Mon Père **6.99 lb**

This cheese was created in memory of Monsieur Roger, a well-known cheese trader and personality based in the Rungis market in Paris in the 1970's. Mon Pere (meaning my father in French) Brie comes from a part of France that is renowned for the exceptional quality of its milk, the Vosges Mountains. Made from milk enriched with cream, Mon Pere Brie has a smooth creamy flavor profile that just hints at subtle mushroom flavors from the rind.

Kroon Maasdam **7.99 lb**

Move over Jarlsberg, there's a new cheese in town! The special ripening process gives this Swiss-Style cheese its characteristic eye formation, creamy texture and mild, sweet and slightly nutty taste. Produced in Holland, it has excellent melting properties & marries well with fruit flavors.
