## Cheese Counter

## Kefalograviera

9.99 lb

Kefalograviera is a hard table cheese produced traditionally from sheep's milk or mixture of sheep's and goat's milk. The cheese has a salty flavour and rich aroma. It is often used in a Greek dish called Saganaki, cut into triangular pieces, rolled in seasoned flour and lightly fried. It is an excellent cheese for grating, and grilling

## Swiss Gruyere Aged 6mo 12.99 lb

This extra-special delicacy from the Gruyere district of Switzerland is well-known as the basic ingredient in fondue. But with its delightfully nutty, spicy, full flavor, it is delicious as a table cheese as well. A whole wheel of Gruyere weighs about 80 pounds. In fact, it takes over 100 gallons of milk to make a single wheel of Gruyere!
