

## ST Joseph's Zeppole

### Zeppole di San Giuseppe

**Zeppole di San Giuseppe**, a pastry dough specialty made for the festival of **St. Joseph** from Enna, Sicily and loved throughout all of Italy and yes even here in the US.

These delicious pastries are made in celebration of St Joseph . The day has been recognized as the Italian Father's day and these treats are long awaited for all year long.

Although there will be a Zeppole di San Giuseppe recipe that varies from Italian to Italian, they are mostly all the same. We make ours fresh daily filling them with either Cannoli crème or our signature pastry cream made from mascarpone. Either one has the significant and very amazing Amerena bleeding cherry on top
