CAFASSO'S FAIRWAY MARKET

July 23, 2026 – July 29, 2026

Il Bollentino translated means our small version newspaper. We create one every week with information and the specials we offer. You can have it emailed to you every week by visiting our web site at cafassosfairwaymkt.com.

August is here and late summer is starting to creep up on us. The Cherries are starting to leave us and some late season favorites like Fresh Figs, Concord Grapes, and Summer Bartlett's have started. The Eggplants, local peppers and squash all now from local jersey farms. And Must I say again Corn. The iconic vegetable of summer is at it's best. But all that said there still plenty of time to enjoy outdoor cooking and dining.
