CAFASSO'S FAIRWAY MARKET

September 10, 2026 - September 16, 2026

Il Bollentino translated means our small version newspaper. We create one every week with information and the specials we offer. You can have it emailed to you every week by visiting our web site at The leaves are just starting to change as we can smell the fall season crispness settling in. It's a great time of the year. The apple harvest is at it's peak with New York state having a somewhat delayed but wonderful start. It's Time for cider and donuts. Our cider comes from red Jacket in Geneva NY and our apple cider and Pumpkin donuts are baked fresh everyday. This year we have apple cider pressed from Honey Crisp apples
